Nature of defect: **Colour Variation and Particulate Matter**

Dear Healthcare Professional

Adcock Ingram Ltd in consultation with the Medicines Control Council is recalling **BRONCLEER WITH CODEINE COUGH SYRUP. The batches affected are listed above.**

The affected batches of BRONCLEER WITH CODEINE COUGH SYRUP were tested and found to have colour variation and particulate matter.

This does not meet the product specification.

Further use or distribution of the above product must cease immediately.

As a matter of urgency please quarantine the above listed batches you have in your inventory and return all stock for credit to Adcock Ingram Limited or your immediate wholesaler or distributor for credit.

Kindly retain this letter in a prominent position for one month in case stock is in transit.

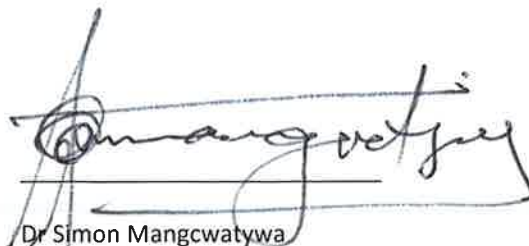

Should you have any questions regarding this matter please address this to the Medical Executive/ Responsible Pharmacist; Adcock Ingram Limited, 1 New Rd, Midrand, 1685 or call **011 635 0000**, for assistance.

We thank you for your co-operation and apologise for any inconvenience caused.

Yours faithfully

J. Adriaan Botha
Responsible Pharmacist (Acting)
